

What the U. S. Government Says About Christmas Shopping

We shall not increase our working time or our working hours above normal.

We shall sell and use our efforts to confine Christmas giving to gifts for children and useful articles to all but children.

We shall extend the period for holiday purchases over the months of October, November and December.

We are requested and shall endeavor to restrict deliveries and decline our customers to carry their own packages when ever possible.

The Council of National Defense asks us to faithfully and loyally put these regulations in effect, and we are making preparations to immediately do so.

Our splendid stocks of holiday goods will be on display as soon as possible, and we urge our friends and customers to BUY HOLIDAY GOODS NOW.
